Volunteer Sandbaggers Needed

NORTH PLAINVIEW, Columbia—Volunteers have started a sandbagging operation in North Plainview in an attempt to seal off the water from flowing under the railroad tracks that run parallel along Highway 97 between Main and Cherry Streets in North Plainview. Emergency Management needs about 2,000 sandbags for the levees in Plainview County should the water begin to overflow.

Due to mudslides, several roads have been closed in Plainview and traffic is being diverted. The City of North Plainview experienced extremely heavy rains over the past 5 days, resulting in flash flooding on the East side of town.

Currently, we are asking for volunteers to fill sandbags in anticipation of the rising Columbia River.
