

### **Activity 3.2**

Determine whether each situation's objective is SMART.

**Situation 1:** It's midnight and heavy rains have caused localized flooding. In one neighborhood, residents are becoming trapped in their homes.

**Incident Objective 1:** As needed, provide assistance to those who might have localized flooding problems.

**Situation 2:** Blocked storm drains are causing standing water on major roadways.

**Incident Objective 2:** Notify public works of storm drain blockages causing standing water, or clear the drains to prevent traffic accidents.
