## Handout 4-3: Area Commander: Checklist of Actions

The following is an example of key actions conducted by the Area Commander/ Unified Area Command. It is provided as an example only (not as official FEMA guidance):

Obtain briefing from agency officials on agency expectations, concerns, and constraints.
Obtain and carry out delegation of authority from agency officials for overall management and direction of the incidents within the designated Area Command.
If operating as a Unified Area Command, develop working agreement for how Area Commanders will function together.
Delegate authority to Incident Commanders based on agency expectations, concerns, and constraints.
Establish an Area Command schedule and timeline.
Resolve conflicts between incident "realities" and agency officials "wants."
Establish appropriate location for the Area Command facilities.
Determine and assign an appropriate Area Command organization. Keep it manageable.
Determine need for and assign technical specialists to support Area Command.
Obtain incident briefing and IAPs from Incident Commanders (as appropriate).
Assess incident situations prior to Area Command strategy meetings.
Review effective communications and data coordination (to include Essential Elements of Information).
Conduct a joint meeting with all Incident Commanders/Unified Commands.
Review objectives and strategies for each incident.
Periodically review priorities and resource needs.
Maintain close coordination with agency officials, cooperating and assisting agencies, and other entities, including EOCs.
Establish priorities for critical resources.
Review procedures for interaction with the Area Command.
Approve Incident Commanders' requests for release of resources.
Coordinate and approve demobilization plans.
Maintain log of major actions/decisions.
