

# ICS 300

## Intermediate ICS for Expanding Incidents

### Course Description

This course provides training and resources to personnel who require advanced knowledge and application of the Incident Command System. The course expands upon information covered in the ICS/IS-100 and ICS/IS-200 courses.

### Course Objectives

Upon completion of this course, students will be able to:

- Describe how the NIMS command and management component supports the management of expanding incidents.
- Describe the incident/event management process for supervisors and expanding incidents as prescribed by the Incident Command System.
- Implement the incident management process in a simulated Type 3 incident.
- Develop an Incident Action Plan for a simulated incident.

### Audience

This course is intended for individuals and field (ICS) personnel who may be assigned supervisory roles during Type 1, 2, and 3 incidents.

### Prerequisites

**Required:** ICS/IS-100, ICS/IS-200, ICS/IS-700, ICS/IS-800

Classes may be taken at: <http://training.fema.gov>.

**Recommended:** None

### Course Tuition

- No tuition fee
- Travel costs may be grant eligible for local responder agencies. Contact your respective county/tribal emergency manager.

### Course Completion

Participants who actively participate, attend the entire course, and successfully complete the course will receive a Certificate of Completion. POST credit is available for law enforcement.
