

L0705

Fundamentals of Grants Management

Course Description

The training and technical assistance provided by this course teaches participants skills to improve their day-to-day work in grants management by:

- ◆ Understanding the importance of grants across policy, program, and financial disciplines
- ◆ Identifying applicable regulations and navigating and applying the Code of Federal Regulations
- ◆ Sharing effective practices related to the grant lifecycle
- ◆ Highlighting the need for written policies and procedures that address areas such as monitoring, procurement, and reporting

Audience

This course is intended for current FEMA grant recipients and sub-recipients who have less than five years of grant experience.

Registration

Dual registration is required: Register at IdahoPrepares.com

And visit the [Emergency Management Institute \(EMI\) online application system](#) to register. Select L0705 Fundamentals of Grants Management in the dropdown, click Apply, and then select the 6/5/2023 Offer Start Date.
