

G0402 NIMS Overview for Senior Officials

Course Description

The purpose of this course is to familiarize Senior Officials (executives, elected and appointed officials, city/county managers, agency administrators, etc.) with their role in supporting incident management within the National Incident Management System (NIMS).

Course Objectives

Upon completion of this course, students will be able to:

- Explain the National Incident Management System.
- Explain the NIMS Management Characteristics, the organizational structure of the Incident Command System, and the role of the Command and General Staff.
- Explain the attributes and purpose of Emergency Operations Centers.
- Explain the interconnectivity between the MAC Group, EOCs, the Joint Information System and Incident Command.
- Explain the Senior Official's role in preparedness.

Audience

Executives and senior officials, including elected officials, city/county managers, agency administrators, etc.
