

L0967: NIMS ICS ALL-HAZARDS

Logistics Section Chief Course

Course Description

The goal of this professional development course is to provide Federal, State, and local-level emergency responders with an overview of key duties and responsibilities of a Logistics Section Chief in a Type III All-Hazards Incident Management Team (AHIMT).

Course Objectives

- Describe the responsibilities of the Logistics Section Chief in relationship to the responsibilities of Unit Leaders within the Section.
- List the priorities of the Logistics Section Chief upon initial activation, describing how the Logistics Section Chief translates these priorities into action.
- Identify the Logistics Section Chief's coordination and communication with the Command and General Staff.
- Identify techniques for successfully managing personnel and demobilizing the Logistics Section.

Audience

NIMS ICS Position Specific training shall be completed by personnel who will be required to gain a certificate of training and the credentials to function in an ICS Organization, such as an IMT, as a member of the Command, General Staff or as a Unit Leader. These criteria will be verified on the student enrollment request by endorsement of the Authority Having Jurisdiction (AHJ) such as the State/Tribal Training Officer or the course manager.
