

# 2024 PUBLIC PRIVATE PARTNERSHIP SECURITY AND RESILIENCE SEMINAR SERIES

Join us for an insightful and educational seminar series sponsored by the Idaho Office of Emergency Management. In partnership with organizations such as the Oregon Department of Emergency Management, Cybersecurity and Infrastructure Security Agency, and Albertsons Companies, we present a dynamic program aimed at enhancing security and resilience.

## WHAT TO EXPECT:

- Presentations by industry, academia, and government experts
- Best practices for critical infrastructure
- Introduction to preparedness resources and tools
- Interactive sessions covering violence prevention and houselessness impacts
- Discussions on the rapidly growing field of artificial intelligence

**WHEN:** 0900 PST/1200 EST, the second Thursdays of May, June, September, and October.

**WHERE:** Virtual

**COST:** Free admission

**REGISTRATION:** Register [HERE](#) or by QR code.

- **Session 1 – May 9:** Introduction to Violence Prevention Strategies and Resources
- **Session 2 – June 13:** The Safety and Security Impacts of Houselessness on Businesses and Organizations
- **Session 3 – Sept. 12:** Safely Leveraging Artificial Intelligence in the Workplace
- **Session 4 – Oct. 10:** Emerging Cybersecurity Threats: Preparing for the Malicious Use of Artificial Intelligence

*Courses are not cumulative and may be taken individually. Each course is IACET CEU eligible.*
