

G-0288 Local Volunteer & Donations Management

The course is designed to strengthen the abilities of local jurisdictions to successfully prepare for and handle volunteer and donations management issues that may arise. This training also provides information regarding the state's volunteer and donations management responsibilities, which are designed to help build relationships between government and non-governmental organizations.

SEPT
23-24
2024

COURSE OBJECTIVES INCLUDE

- Develop an effective public education and information structure to support the successful management of unaffiliated volunteers, unsolicited goods, and undesignated cash donations in disasters.
- Identify how to effectively manage the surge of unsolicited goods.
- Identify specific agencies and organizations and how they collaborate to form a Volunteer and Donations Coordination Team (VDCT).

AUDIENCE

Local emergency managers and representatives of voluntary organizations.
