

National Emergency Management Basic Academy L0146 Homeland Security Exercise & Evaluation Program (HSEEP)

The course describes a common approach to exercise program management, design & development, conduct, evaluation, and improvement planning.

COURSE OBJECTIVES

Upon completion of this course, students will be able to understand the role of HSEEP in National Preparedness and how HSEEP exercise principles and methodology support efforts across the whole community to improve our national capacity to build, sustain, and deliver core capabilities.

AUDIENCE

The target audience for this training are those involved in: planning, program management, design and development, conduct, evaluation and improvement planning of HSEEP consistent exercises.
