

National Emergency Management Basic Academy

L0105 Public Information Basics

The course equips participants with the skills needed to be full or part-time PIOs, including oral and written communications; understanding and working with the media; and basic tools and techniques to perform effectively as a PIO, both in the proactive/ advocacy times and crisis/emergency response.

COURSE OBJECTIVES INCLUDE

- Indicating the purpose of and develop a public awareness campaign
- Developing an incident communications strategy
- Applying effective news release writing guidance
- Adapting written media products for social media
- Identifying interview elements a PIO should consider
- Demonstrating effective techniques for on-camera interviews

AUDIENCE

This course is intended for newly appointed emergency managers from Federal, state, local, tribal territorial and emergency management agencies.
