

G-0300 Intermediate Incident Command System for Expanding Incidents

This course provides training for personnel who require application of the Incident Command System (ICS). This course expands upon information covered in the ICS 100 and ICS 200 courses.

FEBRUARY
24-26
2025

COURSE OBJECTIVES

Course objectives include:

- Describe how the National Incident Management System (NIMS) Command and Management component supports the management of expanding incidents.
- Describe the incident/event management process for supervisors and expanding incidents as prescribed by the ICS
- Develop and Incident Action Plan for a simulated incident.

TIME: 8 a.m. – 5 p.m. MST

LOCATION:

Ag. Extension Office,
Bldg. B
10560 Fairgrounds Rd.
Pocatello, ID 83202

AUDIENCE

This course is intended for individuals who may assume a supervisory role in incidents.
