

L0103: Planning: Emergency Operations

This course is designed to give basic concepts and planning steps to those new to the field of emergency management so that they may apply planning discipline and skills to challenges in their jobs. The course content includes Emergency Management Planning doctrine and steps to take to accomplish writing plans and using them to deal with special events, which are common challenges for all jurisdictions.

May
13–14
2025

COURSE OBJECTIVES

- Explain the relationships among preparedness, THIRA, and emergency operations planning.
- Identify the steps in the emergency planning process and their expected outcomes
- Describe the purpose and components of an Emergency Operations Plan
- Apply the emergency planning principles and process in evaluating an Emergency Operations Plan
