4. **Consent Agenda;**
  - a. October Minutes APPROVED Lewis / Peirce
  - b. Nov 6 Agenda APPROVED Lewis / Peirce
  - c. PM Report:
    - i. Call handling equipment site visits will occur October 28-30<sup>th</sup> for the high priority sites that required a refresh prior to January 1. Nampa and Owyhee Co will have site surveys done since they are in close proximity. A project planning team will be meeting on Oct 30<sup>th</sup> to further discuss the path ahead.
    - ii. The Motrola ESINet team will be conducting site surveys on Nov 10-14 for the Host-agencies: Post Falls, Ada/Kootenai, SIRCOMM/Elmore, and Bannock
    - iii. The IDAPA 15.06.01 will need legislative approval to finalize the temporary changes approved by the IPSCC. The summary of these changes are as follows: allowance for 5-year contracts, Commission ability to amend awards, Commission ability to consider adjusting grant application period, agency acknowledgement of GIS data maintenance and submission, and reduction in application data requirements from agencies.
      1. If the Commission feels there are other changes needed, they must be included in the final submission
      2. I think the changes worked as intended this cycle and enabled us to secure NGCS moving forward. I don't have any additions/changes
    - iv. IRON: this contract is still in work and may become a concern if not submitted before mid Nov. I am in contact with IRON and brief if there are problems.

## IPSCC MEETING 06 November, 2025

### Meeting Minutes

- v. I have initiated contact with the Cyber-Fusion Center to explore options in an assessment of Idaho PSAP's Cyber Security Needs. I have also spoken to some vendors.
