Fifth Annual PSAP Seminar

Boise, Idaho

October 18th & 19th, 2016

The Idaho Public Safety Communications Commission, Idaho PSAP Standards and Training Committee, and Idaho APCO are delighted to sponsor the Fifth Annual PSAP Seminar. The seminar will be held on October 18th and 19th at the Wyndham Garden-Boise Airport Hotel. The seminar thus far has been a tremendous success and this year promises further growth and improvement. We invite everyone associated with a 911, PSAP, or Dispatch center in any capacity to attend. The Seminar is provided at no cost to the attendees. The seminar will offer POST credits for attendees and excellent professional development sessions on topics that are specific to the dispatch and PSAP audience. Do not miss the opportunity to be a part of this incredible and influential event.

Keynote Speaker for Day 1:

Dr. Bobby E. Smith, PHD

After 25 years in law enforcement, Bobby Smith was left without his career and his eyesight when he received a shotgun blast to the face in 1986 during an encounter with a drug offender. Bobby then pursued a Master's Degree in Education and a Doctorate in Counseling Psychology. He has spent nearly 20 years speaking in every major city in the US to share his message. Dr. Bobby Smith has authored three books and has shared, with over one million people, his message of dealing with the tragedies of life and of being thankful.

Keynote Speaker for Day 2:

Sue Pivetta

Sue Pivetta entered the 911 field over 30 years ago as a dispatcher in a small police department. Since then, Sue has become a professional emergency communications trainer, writer, public speaker, and industry leader. As the founder of one of the first full time college programs, she knows from an inside perspective the elements of success in this challenging and rewarding career.
