

Determine if Your Site Qualifies as a CEJST Underserved Location

Use the link below to see if your address qualifies as a Climate & Economic Justice Underserved Location

[Explore the map - Climate & Economic Justice Screening Tool](#)

In this illustration, this address is located in an area assessed to be underserved by the Climate & Economic Justice Screen Tool as indicated by the **Identified as disadvantaged? YES** annotation.

As you can see from the expanded map below, a good share of Idaho does qualify as underserved by the Climate & Economic Justice Screening method. Areas on the map that are gray highlighted are assessed "Underserved".
