

# AWR-356

# Community Planning for Disaster Recovery (Virtual)

## Course Description

*This course presented through a partnership with the National Disaster Preparedness Training Center.*

Join us for our Community Planning for Disaster Recovery course. Learn key concepts for disaster recovery planning, including the benefits of pre-disaster planning, whole community approach to planning, key elements of plans, and the plan development process. Increase your knowledge to initiate disaster recovery plans and participate in the long-term recovery planning process in your own community. Enhance your ability to support your community's overall disaster readiness through pre-disaster planning for post-disaster recovery.

## Modules

- Introduction to Disaster Recovery Planning
- Partners in Disaster Recovery
- Disaster Recovery Plan Elements
- Disaster Recovery Plan Development

## Audience

Government administrative, emergency management, public works, public health, transportation, citizen/community volunteer personnel.
