### **Action Agenda**

## **New Business**

### **Approve Temporary Rules IDAPA 15.06.01**

Mr. Craig Logan reported that the Idaho Senate adjourned sine die, but the Idaho House has only recessed. Because the House has only recessed, the rules that the IPSCC uses to operate haven't been approved. The rules officer for the Military Division, Major Lauren Tschampel, advised that the Commission would need to adopt their rules found in IDAPA 15.06.01 as temporary rules in order to operate after July 01, 2021.

**MOTION: Commissioner Carreras moved, Commissioner Greenberg seconded, that pursuant to Section 67-5226, Idaho Code, the Governor has found that temporary adoption of this rule is appropriate to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These rules implement the duly enacted laws of the State of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety, and welfare of the citizens of Idaho, and deprive them of the benefit intended by these rules. Therefore, we are adopting this temporary rule to be effective upon July 01, 2021. We are also rescinding our existing temporary rule with an effective date of July 01, 2021.**

There was a roll call vote:
