PURPOSE

Over Preference

Sponsored by the Idaho PSAP Standards & Training Committee

Your purpose is your brand, what you're driven to achieve, the magic that makes you tick. It's not **what** you do, it's **how** you do it and **why** - the strengths and passion you bring to the table no matter where you're sitting.

About our instructor:

Andrea Dearden is an expert in strategic communication, change management, personality preferences and transformational leadership. She oversees messaging, organizational development and emergency communications for the Ada County Sheriff's Office.

Training is offered twice in each District
