HHS/CDC - Strategies to Maintain HIV Viral Suppression Among State Prison Inmates Released to the Community Deadline: Jun-29-2020
Total Funding: $9,000,000
Dept/Agency/Org: (USHHS) Department of Health and Human Services - Centers for Disease Control and Prevention
Description: Program aims to develop effective, sustainable, and replicable program models that support continuity of HIV care for PWH released from state prisons into the community.
Website: https://www.grants.gov/web/grants/view-opportunity.html?oppId=323273
Eligibility: State Notes: To be considered responsive, applicants must document all of the following:
1. Complete laboratory reporting of all HIV viral load and CD4 data to the state health department.
2. There are at least 250 HIV-positive persons confined in the state prison system. These data should be based upon the most recent available information compiled by the Department of Justice/Bureau of Justice Statistics. https://www.bjs.gov/index.cfm?ty=pbdetail&iid=6026
3. At least 100 HIV-positive prison inmates were released from the state prison system over the most recent 12-month reporting period available. Release information for HIV-positive prison inmates can be based upon calculations using general release data collected by the Department of Justice/Bureau of Justice Statistics. http://www.bjs.gov/index.cfm?ty=pbdetail&iid=6187
4. Letter(s) of support signed by senior leadership from both the state health department and the department of corrections stating a clear commitment to achieving the goals of the program. The letter of support from the state health department should include a clear commitment to the overall goals of the project from both the HIV surveillance and prevention program units.
No Cost Share information available.
