

# Idaho Emergency Communications Officer Training

# 911

NOVEMBER 1, 2020 – DECEMBER 15, 2020

## FREE VIRTUAL TRAINING

*This training is provided with 9-1-1 funding via the Idaho PSAP Standards & Training Committee and its parent organization, the Idaho Public Safety Communications Commission (IPSCC). This virtual training is NOT approved for POST credits, but this training IS approved for CEU training hours that is required by Idaho Law (IDAPA Rule 11.11.01.131.02 – 40 hours every 24 months) of every POST certified Emergency Communications Officer. Please ensure YOUR agency enters YOUR completed training hours into POST's Mandatory Training Report System (MTRS). Successful completion of each course will result in receipt of an emailed completion certificate. The classes can be accessed any time during the 45 day period and are "work at your own pace".*

**REGISTER TODAY!!!**
